THƯ NGỎ
LETTER OF INTRODUCTION

Kính gửi Quý Khách hàng và Đối tác!

Lời đầu tiên, Công ty TNHH Cơ điện SMEP Việt Nam xin gửi tới Quý vị lời chào trân trọng, lời cảm ơn chân thành vì sự quan tâm và đồng hành trong suốt thời gian qua.

Được thành lập với sứ mệnh trở thành đơn vị thi công cơ điện (M&E) chuyên nghiệp và uy tín tại Việt Nam, SMEP không ngừng nỗ lực để mang đến những giải pháp tối ưu, an toàn và hiệu quả cho các công trình dân dụng, công nghiệp và hạ tầng kỹ thuật.

Với đội ngũ kỹ sư giàu kinh nghiệm, quy trình thi công bài bản và hệ thống quản lý chất lượng chặt chẽ, chúng tôi đã và đang thực hiện nhiều dự án quy mô trên toàn quốc.

Chúng tôi hiểu rằng: Uy tín và chất lượng là nền tảng để xây dựng mối quan hệ bền vững với khách hàng. Vì vậy, SMEP luôn tận tụy trên mọi công việc, đặt tiêu chuẩn chất lượng mọi công trình và lợi ích của khách hàng lên trên hết.

Sự hài lòng của Quý khách hàng chính là động lực để chúng tôi tiếp tục đổi mới và phát triển.

Chúng tôi rất mong được đồng hành cùng Quý vị trong các dự án sắp tới và cam kết mang đến những giá trị vượt mong đợi.

Trân trọng!

Dear Valued Customers and Partners,

First and foremost, SMEP Vietnam Mechanical & Electrical Co., Ltd. would like to extend our respectful greetings and sincere thanks for your trust, attention, and continued support over the years.

Founded with the mission to become a reputable and professional M&E (Mechanical & Electrical) contractor in Vietnam, SMEP has been constantly striving to deliver optimal, safe, and efficient solutions for civil, industrial, and infrastructure projects.

With a team of experienced engineers, standardized construction processes, and a strict quality management system, we have successfully undertaken numerous large-scale projects nationwide.

We understand that reputation and quality are the foundations for building sustainable relationships with our clients. Therefore, SMEP is dedicated to every task, always upholding the highest quality standards in every project and prioritizing our clients' benefits above all.

Your satisfaction is our greatest motivation to keep innovating and growing. We look forward to accompanying you in upcoming projects and are committed to delivering values beyond expectations.

Sincerely!

OUR PARTNERS

JUNG is a premium supplier of modern building technology. Lighting, blinds, air conditioning, energy, security, door communication and multimedia - the functional diversity of JUNG systems covers all areas of modern electrical installation. With its commitment to production exclusively in Germany, JUNG focuses on sustainable development and production processes, precise processing and unique product quality.

As a member of the world's leading air conditioning manufacturer with over 95 years of experience, Daikin Vietnam has spent 25 years of establishment and development, affirming its leading position in the air conditioning industry in Vietnam. To continue to expand exports to Asian and international markets.

DORN BRACHT

Dornbracht is the leading provider of high-quality design faucets and accessories for bathrooms, spas, and kitchens, headquartered in Iserlohn, South Westphalia. Founded in 1950, Dornbracht is currently active in over 125 markets with its product portfolio. As a premium brand, Dornbracht is internationally recognized for its design and architectural expertise, offering artisanal quality at the highest level. Dornbracht reinforces this leadership position with its brand slogan, “Leading Designs for Architecture”

Hugo Lahme

Perfektion in jedem Element.

Since 1945, Hugo Lahme GmbH has been a global leader in swimming pool technology, renowned for uncompromising quality standards and exceptional durability. Their product portfolio includes pool hydraulics, underwater lighting, counter-current systems, and massage systems. Under the FitStar®, VitaLight®, and AllFit® brands, Hugo Lahme crafts products from bronze, gunmetal, and stainless steel, representing the pinnacle of German engineering.

CMS Electracom offers a wealth of Design, Manufacture and Distribution expertise in modular wiring and power solutions, with a unique ability to fulfil special client requirements by developing customized products. CMS is consistently expanding its range of modular wiring and power solutions for the commercial sector and are committed to continued product innovation.

Crestron is a global leader in workplace technologies, engineering and transforming corporate automation and unified communication (UC) solutions for enterprise organizations across Fortune 500 corporations, campuses, facilities, and more, as well as a premium home automation provider who creates platforms, devices, and systems across residential properties including homes, yachts, MDUs, and hotels.

Team building and Travel activities

"Every year, the company organizes teambuilding activities to strengthen solidarity and bonding among employees. This is an opportunity for everyone to relax after stressful working hours, while also enhancing teamwork skills through creative games and challenges. Teambuilding activities not only help build team spirit but also provide a chance for employees to better understand each other, thereby improving work efficiency and the overall working environment."

LỜI CẢM ƠN
LETTER OF GRATITUDE

Công ty TNHH Cơ điện SMEP Việt Nam xin gửi lời tri ân sâu sắc và chân thành nhất tới Quý khách hàng và Đối tác đã luôn tin tưởng, đồng hành và hỗ trợ chúng tôi trong suốt thời gian qua. Nhờ có sự ủng hộ và tín nhiệm của Quý vị, cùng với những nỗ lực không ngừng nghỉ từ đội ngũ kỹ sư và nhân sự, SMEP đã không ngừng phát triển, hoàn thiện và khẳng định được vị thế là nhà thầu cơ điện chuyên nghiệp tại Việt Nam.

Tài sản quý giá nhất của SMEP chính là niềm tin và sự hài lòng từ Quý khách hàng và Đối tác. Đó là động lực to lớn để chúng tôi tiếp tục mang đến những giải pháp tối ưu, dịch vụ hiệu quả và chất lượng vượt trội.

Chúng tôi xin kính chúc Quý khách hàng và Đối tác thật nhiều sức khỏe, thành công và thịnh vượng. Công ty TNHH Cơ điện SMEP Việt Nam luôn ghi nhớ rằng:

“Thành công của khách hàng cũng chính là thành công của chúng tôi."

Trân trọng!

SMEP Mechanical & Electrical Co., Ltd. Vietnam would like to express our deepest and most sincere gratitude to our valued customers and partners who have always trusted, accompanied, and supported us throughout the past time.

Thanks to your trust and support, together with the tireless efforts of our team of engineers and staff, SMEP has continuously developed, improved, and affirmed its position as a professional M&E contractor in Vietnam.

The most valuable asset of SMEP is the trust and satisfaction of our customers and partners. This is the greatest motivation for us to continue delivering optimal solutions, efficient services, and superior quality.

We wish our valued customers and partners good health, success, and prosperity. SMEP Mechanical & Electrical Co., Ltd. Vietnam always remembers:

“The success of our customers is also our success."

Sincerely!
